Solution of the University of Virginia, writing September 13, 1909, says: "For about ten years it has been my duty to pass upon the preparation of students entering the University, and it is only fair to say that in no case have I found that a student entering with the McGuire recommendation proved later to be deficient in the subjects for which he was recommended. . . I have no hesitation in saying that any parent should consider himself most fortunate who has the opportunity to enter his son at McGuire's."
